Make a difference in a few hours that can last decades! Join Plymouth Township, the Plymouth Township Environmental Leadership Commission and ReLeaf Michigan, a non-profit tree organization, who with funding from the DTE Foundation, will be planting trees on Saturday, October 22nd. Twenty trees will be planted at Plymouth Township Park located at 46640 W. Ann Arbor Trail. Volunteers are asked to meet in the first parking lot on the right side of the park entrance. The trees planted will diversify and increase the overall tree canopy while providing shade, environmental, aesthetic and health benefits!

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Families are welcome! Students can earn community service credits. Please wear closed-toe shoes and bring a shovel and hard rake if you have one. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. We hope to see you there!
