Make a difference in a few hours that can last decades! Join us on Saturday, September 19th as we plant 30 trees at the David W. Hanselman Municipal Complex in the city of Center Line. ReLeaf Michigan, a non-profit tree organization is partnering with the city of Center Line, Macomb County and the Green Macomb Urban Forestry Partnership to increase the overall tree canopy in the city.

ReLeaf Michigan's tree experts will be there to help volunteers and oversee the event. Covid protocols will be followed. Volunteers need to sign up as a 'family' or a 'team' of 3 to 4 folks who have been social distancing together. Masks are required. Please wear closed-toe shoes and bring a shovel if you have one. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. We hope to see you there!

To volunteer, please email Dennis Champine at dchampine@centerline.gov or call 586-757-6800
