Make a difference in a few hours that can last decades! Join Chikaming Township, the Chikaming Park Board and ReLeaf Michigan, a non-profit tree organization, who with funding from the Michigan DNR Urban and Community Forestry Program, will be celebrating the Township's first 'Plantapalooza' on Saturday, September 24th. Twenty trees will be planted in Harbert Community Park. The trees planted will diversify and increase the overall tree canopy in the park while providing shade, and enhancing the aesthetic value of the park!

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Families are welcome and can reserve their own tree to plant! Students can earn community service credits. Please wear closed-toe shoes and bring a shovel and hard rake if you have one. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. We hope to see you there!
