

Top Ten Things Homeowners Should Know About Their Trees

FREE PRESENTATION FROM RELEAF MICHIGAN

Time for a Tree Checkup! Learn how to care for your trees at the Lexington Moore Public Library

Led by Kay Sicheneder, consulting arborist at SavATree, this free presentation will provide an overview of the most important areas of concern in the Lexington area so homeowners can ensure the long-term health and vitality of their trees. Sicheneder is an ISA Certified Arborist with a Master's in Natural Resources from the University of Michigan and over 20 years of experience caring for trees.

Presentation topics will cover:

- Selecting trees for your landscape
- The importance and function of roots
- Tree maintenance
- When/how to hire a tree service

All are welcome.

Please join us for this free opportunity!
