

# Planning for Community Trees

## *Canopy Assessments, Management Plans, Ordinances and Master Plans*

**FREE WEBINAR**

**Michigan communities have adopted canopy goals, tree planting objectives, or expressed a desire to expand urban and community forests. To develop local strategies that best meet community objectives, we need planning tools.**

Lee Mueller is a market manager with Davey Resource Group, responsible for opening new offices, managing key client relationships, and developing new business opportunities. He is a Certified Arborist, Certified Forester, and Michigan Registered Forester, with degrees in forestry from Michigan State University. He is a former chair for the Michigan Urban and Community Forestry Council, Treasurer for the Michigan Society of American Foresters and is locally involved in Grand Rapids.

Topics to include:

- Introduction to urban forestry and assessment management tools
- Tree & urban forestry management plans
- Community tree ordinances
- Tree canopy assessments
- Tree protection ordinances
- Urban & community forestry master planning
