PLANTING TREES, GROWING COMMUNITIES.

Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, is partnering with the city of Montrose and the MDNR Urban and Community Forestry program to plant 20 trees at Lions Park, and along Oak Rd in Montrose on Friday, October 6th. The trees planted will create a barrier between the park and residential homes, and will line the street in front of homes. This planting will be done in celebration of the city of Montrose's Arbor Day.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Please wear closed-toe shoes and bring a shovel, hard rake, and gloves if you have them. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. Families are welcome! We hope to see you there!
