PLANTING TREES, GROWING COMMUNITIES.

SATURDAY

May 22

8:45 am to 12:00 pm

LESSENGER PARK

21800 Scotia Road
Oak Park, MI 48237

Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, in collaboration with the City of Oak Park and with funding from the Detroit Zoological Society, is planting 15 trees in Lessenger Park on Saturday, May 22nd to increase the overall tree canopy in the City of Oak Park and to provide shade in the park.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Covid protocols will be followed. Volunteers are asked to sign up as a 'family' or a 'team' of 3 to 4 folks who have been social distancing together. Masks are required and gloves recommended. Please wear closed-toe shoes and bring a shovel if you have one. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. We hope to see you there!
