In just a few hours you can make a difference that can last decades! Join us on Saturday, October 13th as we plant 15 trees in the City of Plymouth. ReLeaf Michigan, a non-profit tree organization, is partnering with Keep Plymouth Leafy, the City of Plymouth, PARC and the DTE Energy Foundation to increase the tree canopy and provide shade at the Plymouth Arts and Recreation Complex (PARC). Our ReLeaf Michigan tree experts will be there to help volunteers learn the proper way to plant and maintain a tree and to oversee the event. Families are welcome!

Please wear closed-toe shoes and bring a shovel if you have one. Event occurs rain or shine (we're a hearty group!) and light refreshments will be served. No planting experience is necessary. We hope to see you there!
