In just a few hours you can make a difference that can last decades! ReLeaf Michigan, a non-profit tree organization, is partnering with the city of St. Clair Shores and the DTE Foundation to plant 20 trees in Brys Park on Saturday, May 7th. This planting is part of the development of an arboretum at Brys Park. Not only will the trees increase the overall tree canopy and provide a multitude of environmental, health and aesthetic benefits but it is also a beginning step towards certification via the Arboretum Accreditation Program

Everyone will meet at Brys Park, 20700 Brys (corner of 8 Mile and Harper) at 8:45 a.m. ReLeaf Michigan's tree experts will be there to help volunteers and oversee the event. Families welcome! Please wear closed-toe shoes and bring a shovel if you have one. Event occurs rain or shine (we're a hearty group!), and light refreshments will be served. No planting experience necessary. We hope to see you there!
