Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, in collaboration with Rogers City, and the DTE Energy Foundation, is planting 20 trees at Sunrise Side Community Gardens, MSU Extension, Memorial Park Cemetery, and the courthouse in Rogers City on Saturday, September 23rd. The trees planted will increase the tree canopy, replace fallen and dying trees, and create a new generation of trees for the community.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Please wear closed-toe shoes and bring a shovel, hard rake and gloves if you have them. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. Families are welcome! We hope to see you there!
