Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, in collaboration with the city of Sylvan Lake and the DTE Energy Foundation, is planting 20 trees along residential streets in Sylvan Lake on Saturday, May 11th. The planting will replace dead trees and add residential street trees to beautify the neighborhood and diversify the tree canopy.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Please wear closed-toe shoes and bring a shovel, hard rake and gloves if you have them. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. Families are welcome! We hope to see you there!
