Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, is planting 20 trees at Tabernacle Missionary Baptist Church in Detroit on Saturday, September 16th. The trees are being planted in celebration of the church's 100+ years of operation in Detroit, and its history as a gathering place for Black residents of the city. The trees planted will replace the dead and dying trees in the parking lot and will add deciduous conifers and fruit-bearing trees to the campus.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Please wear closed-toe shoes and bring a shovel, hard rake and gloves if you have them. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. Families are welcome! We hope to see you there!
