Make a difference in a few hours that can last decades! ReLeaf Michigan, a non-profit tree organization, in collaboration with the Stony Creek Ridge Homeowners Association and the City of Rochester, is planting 20 trees in Rochester on Saturday, June 1st. The planting is a part of a reclamation program and the trees will replace trees that died due to the invasive phragmites.

ReLeaf Michigan's tree experts will be there to show volunteers how to plant a tree and oversee the event. Please wear closed-toe shoes and bring a shovel, hard rake and gloves if you have them. Event occurs rain or shine (we're a hearty group!). No planting experience necessary. Families are welcome! We hope to see you there!
