

Trees Matter in Ferrysburg!

Learn the results of a recently completed tree canopy assessment

LEARNING THE VALUE OF TREES AND WHY WE NEED THEM

Not only are trees lovely to look at, they provide amazing economic, environmental and health benefits!

Learn more about your community forest and what you can do to make a difference for Ferrysburg and your own property at this free presentation.

Everyone welcome!

DID YOU KNOW...

- 39% of Ferrysburg is covered by tree canopy
- Trees provide Ferrysburg \$1.27 million in annual benefits, through stormwater reduction, air purification, and carbon sequestration.
